50th Anniversary of St Paul's Church

As parishioners may be aware, St Paul's Parish is celebrating, this year, the Fiftieth Anniversary of its Church. The Foundation stone for St Paul's was laid in September 1963 and the Church was practically completed by December 1965. It was used for Masses since the Fourth Sunday of Advent that year. The Church was solemnly dedicated and officially opened by Bishop O'Doherty on Sunday 17th April, 1966. Cardinal William Conway attended this ceremony. Several photographs of that historic day are included in the 2016 commemorative calendar which was produced by St Paul's Parish last Christmas to mark this Golden Jubilee year.

To mark the 50th anniversary of the solemn dedication itself, Bishop McAreevey will celebrate the 12noon Mass in St Paul's Church, next Sunday 17th April and any parishioner (from either Lurgan parish) is welcome to attend.

We give thanks, at this time, for the gift that St Paul's Church has been for local people, and for all who have been part of Catholic life in Lurgan, during the past five decades.

The service will take place on Sunday 17th April 2016 at 3pm in the Medical Education Centre, Craigavon Area Hospital (main hospital site). The event is being organized by the Maternity Services and the Chaplaincy Team, and we warmly invite anyone who has lost a baby to take time out to reflect and to remember them. There will be an opportunity during the service to create a floral tribute, so in light of this some may wish to bring a flower with them in memory of their child or grandchild. Refreshments will be served afterwards and there will be an opportunity to chat with the chaplaincy team and other support staff.
