DROMORE DIOCESAN HISTORICAL SOCIETY

Monday 12th June @ 7.25pm. An Historical two-part outing to old Tullylish, and to Laurecetown, Co Down to be conducted by Plunkett Campbell. The meeting point is the prominent Old Tullylish church tower that stands within the elevated, off-road, Tullylish ancient cemetery (now Church of Ireland), on the road that joins Gilford to Laurecetown village. A sign-posted lane leads to the tower that can be seen from the road. These outings to Tullylish are special given the very attractive landscape that borders the River Bann. The two central themes are a) the district's riverside Early Christian monastic presence and influence, and b), in a much different era, the life and times of Reverend William Butler Yeats, Rector of Tullylish (1836-53). Plunkett Campbell leads the vibrant Tullylish Historical Society, and the Society's past and recent publications will be made available during the evening. In the event of inclement weather, an indoor venue is available for related talk and supper.

Parishioners are very welcome at this highly recommended event

AFRICA APPEAL

Hi all I have decided to go back to Africa again with members of my family to help build schools in the townships around Cape Town. We cannot do this work without the help and support of local people. I know many of you have sponsored us in the past and can fully understand if you are unable to help us this time around. We really do need your support to raise the funds to go and help children get an education that will help them get out of the conditions they now live in. Please help us to help others. If you would like to donate I have a Justgiving page type in my name and click on donate. Thank you for your continued support. *Malachy Toman.*
