ACCORD

Catholic Marriage Care Service is an agency that has had experience of working with couples and individuals supporting them in their marriages and intimate relationships for more than 50 years. There are 55 ACCORD Centres across the island of Ireland - nine of these are in Northern Ireland. The Dromore Diocese has an ACCORD Centre, which is located in the Parish Centre in Newry and provides three categories of service: Relationships Counselling for couples and individuals; Marriage Preparation Courses for those intending to marry in church; and a Fertility and Wellbeing Service. The Newry Centre is marking 50 years of service to the local community in 2017.

All ACCORD counsellors are specialists in the field of couples and relationships therapy and regularly engage in continuing education programmes which enable them to work effectively with all the issues and difficulties which challenge the stability of couple relationships and consequently the well-being of all family members.

ACCORD's professionally-trained Marriage Preparation facilitators bring many years of experience to the delivery of a full and challenging programme which raises a wide range of topics of particular significance to those preparing for marriage, and provides time for couples to have invaluable, focused, one-to-one conversations, combined with the experience of skilfully managed group involvement.

The Newry Centre can be contacted directly on 028 3026 3577 or at newry@accordni.com. Full details of all ACCORD's services can be found at www.accord.ie
