Relic of St Teresa of Calcutta

'God has not called me to be successful. He has called me to be faithful'
Mother Teresa (1910-1997)

Sincere thanks to all our parishioners - and parishioners and friends from neighbouring areas - who by their presence and prayers contributed to the welcome and reverence shown to the relic of St Teresa last weekend. We are greatly indebted to the Knights of St Columbanus for enabling St Peter's to be included in the schedule of churches to host the relic, at this time, and for their organising and overseeing of the practical aspects of the visit. I thank Noel McCann for all his help in the background, Michelle Harte and the members of the parish choirs for their much appreciated contribution during the Masses, and the members of the Altar and Mission Society for their kind work in preparation for the relic's arrival. It was a very special and prayerful experience in which we were privileged to share as a parish community.

May the example of St Teresa of Calcutta continue to inspire and challenge each one of us and may her continuing intercession, on our behalf, bear fruit in our lives.
