GOOD BEGINNINGS
Your baby's baptism is a time for celebration and joy. Naturally you want the best for your baby, and we want to help you to plan and prepare for your child's baptism in the best possible way. Your most important preparation is to look at your own faith. The very fact that you have asked for your child to be baptised shows that you recognised the importance of God in your life. As your child gets older he/she will grow up with the faith you have taught by example. As you help your baby grow up in the love of God, you too will experience growth in your own faith life. Your baby's baptism is only the beginning of a new life through which you will grow closer to one another as a family and closer to God
Baptisms take place on the first, third and fifth Sundays of the month @ 1.30pm

SPIRITUAL CHALLENGES IN LATER LIFE
Five-part series by Zoom with Úna Agnew SSL PhD over five successive Tuesdays from 11:00 am – 12:15 pm (25 January, 1, 8, 15 & 22 February 2022)
Spiritual well-being in later life is a potential that needs to be explored even as it is happening within us and among us. Later life is a time to make the transition from active living to active being. It is a transition into soul time and an opportunity to harvest life's riches. Longevity is a gift that demands a new level of consciousness. The soul's song gains momentum as we celebrate each stage of life and take hold of the opportunities that this 'extra time' offers. We explore together this rich season of grace that we call ageing. Notes at the end of each session will be emailed to participants. The suggested donation to attend this five-part series is £50 per person.
Dr Una Agnew is a St Louis Sister, retired Emeritus Professor of Milltown Institute, Dublin, Spirituality Dept. where she gave courses on the spirituality of mid-life and later life over many years. She is author of The Mystical Imagination of Patrick Kavanagh; A Buttonhole in Heaven (the Columba Press, 1998) reissued (Veritas, 2018).

Seeing your Life through the Lens of the Gospel
John 2:1-11
1. The story is a story of abundance; the abundance of the blessings God gives us. How have you been aware of the abundance of God's blessings? Let the memories lead you to prayer of thanks and praise for the times in your life when that joy and fulfilment have been very real to you.
2. The hour of Jesus had not yet come when the glory of God would be fully revealed, yet even so something of the glory of God was revealed in the sign that took place. For us also the revelation of the full glory of God lies in the future, but we do get glimpses along the way. Recall some of the signs that have revealed to you something of the glory of God, e.g., nature, art, friendship etc.
3. Mary/Jesus. It is interesting to note that despite the apparent rebuff, Mary is the first person in the narrative to show that the correct response to the presence of Jesus is to trust in him. When have you trusted in the Word of Jesus like that? What relationships do you have that you can trust like that?

Universal Synod Information
Week 3- The Synod Logo
The meaning of the Synod Logo

A large, majestic tree, full of wisdom and light, reaches for the sky. A sign of deep vitality and hope which expresses the cross of Christ. It carries the Eucharist, which shines like the sun. The horizontal branches, opened like hands or wings, suggest, at the same time, the Holy Spirit.
The people of God are not static: they are on the move, in direct reference to the etymology of the word synod, which means "walking together". The people are united by the same common dynamic that this Tree of Life breathes into them, from which they begin their walk.
These 15 silhouettes sum up our entire humanity in its diversity of life situations of generations and origins. This aspect is reinforced by the multiplicity of bright colours which are themselves signs of joy. There is no hierarchy between these people who are all on the same footing: young, old, men, women, teenagers, children, lay people, religious, parents, couples, singles, healthy, disabled; the bishop and the nun are not in front of them, but among them. Quite naturally, children and then adolescents open their walk, in reference to these words of Jesus in the Gospel: " I praise you, Father, Lord of heaven and earth, because you have hidden these things from the wise and learned and revealed them to little children". (Mt 11:25)
