**CANDLE OF ATONEMENT PRAYER**  
*Lord, forgive us our many sins. We grieve and repent with all our hearts for having offended you, for our great failings and neglect of the young and vulnerable. We place all of those who have been hurt by the Church in any way into your loving hands and under the protection of Our Blessed Mother. Lord, bring peace to their broken lives and show us all the way out of darkness and into the light of your Word. May we as the people of God be more fully human, more fully Christ-like and more fully your people, that we may see the errors of the past and go forward with renewed hope and faith in Christ and in our Church. Amen*

**Seeing your Life through the Lens of a Gospel**  
**Luke 6:27-38**  
1. Our natural tendency when attacked is to self-protection and when we are attacked, we attack back. We respond to an angry word with another, or to a blow by hitting back. Here Jesus suggests that at times there may be another way to act. What has been your experience of retaliation? Has it been life-giving? Have you an experience of another way of acting?  
2. When we do good to one another, it can sometimes be in return for what we have received. At other times it can be done in the hope of getting something back. Or we may do it simply for the sake of doing good without any strings attached. Jesus suggests that this is when we are at our best. Recall your experience of these different ways of giving and celebrate the occasions when you gave without expectation of return.  
3. Jesus proposes the generosity of God as a model for our generosity and says that the generous will be rewarded. Perhaps you have experienced rewards, even in this life, from generous behaviour.
