Dromore Diocesan Lourdes Pilgrimage 2023
The Dromore diocese intends to organise a 5-day pilgrimage to Lourdes in May 2023 (exact dates and price to be confirmed).
Unfortunately, due to the pandemic it will be a different kind of pilgrimage, as we will **not** be using the hospital accommodation (Accueil) in Lourdes and will therefore be unable to support an assisted section in 2023. This means we will **not** have the same support from doctors, nurses, and volunteers as we had pre-pandemic.

The pilgrimage will include general insurance cover (to include Covid 19 cover), transport to/from airports, a programme of ceremonies in Lourdes, assistance of travel agent representatives in Lourdes.

If you are interested in travelling to Lourdes as a pilgrim in May 2023, please contact the Parish Secretary in St Paul's on **028 38321289** no later than 15th November 2022 to declare your interest. Further details will be made available later.

To help us plan we need an expression of interest from those who hope to join our Pilgrimage.

I look forward to hearing from you. Names from interested parties to be forwarded on or before **Mon 24th October.** An expression of interest does not commit you.... we will appreciate your input.... your views will help us plan.

Personal Reflection
*Do you have a weekly period of rest, when you turn off the pressures and anxieties of the world and seek to reconnect with God in word and sacrament, to reconnect with your neighbour and nature?
*Are you aware of how much you are "plugged in" to the empire of things, the anxiety-driven economy of competition and acquisition?

Seeing your Life through the Lens of the Gospel Mission Sunday – "you will be my witness"
1. We are often defensive in our relationships with others. We are reluctant to let another see us as we see ourselves. Occasionally we meet someone with whom we can be totally open and know we will be accepted. With whom have you had that kind of a relationship? What was it like for you to have that freedom
2. Likewise with God, when we come to prayer pretending to be better than we are, we are hiding from God. What difference does it make when you pray to God, acknowledging your faults and limitations? Have you ever found that when you are humble in this way in prayer, God lifts you up?
3. The parable is also a cautionary tale against judging others negatively on the basis of externals. Perhaps God, who looks into the heart, sees them differently. When have you discovered there was more to another person than the negative picture you got from first impressions? What lessons did you learn for yourself from this?
