ST THERESE OF LISIEUX – 1 October

This daughter of a watchmaker was the youngest of nine children. Her mother was a lace maker and she died when Therese was four years old. Her central teaching, contained in her book, *The Story of a Soul* was that ordinary people could live saintly lives by the Little Way. When the relics of St Therese came to Ireland, people flocked in huge numbers to welcome them. People recognised in Therese that Christ became a real presence for her, through family traumas and when she got tuberculosis that claimed her life at the age of 24.

THE GUARDIAN ANGELS – 2 October
The presence of the Angels is common with the Abrahamic Faith religions: Christianity, Judaism, Islam and the Bahá'í, as well as being mentioned in Sikh and Zoroastrian texts. We believe that each one of us has a Guardian Angel that watches over us and helps us. Angels are God's messengers. In unseen ways our angels help us on our earthly journey.
They come the messenger of love, they come from peace above, from homes of never-fading light from blissful mansions ever-bright.
They come to watch us around here, to soothe our sorrow, calm our fear: Ye heavenly guides, speed not away, God willeth you with us to stay.

SACRAMENT OF RECONCILIATION
Confessions are now available with appropriate safeguarding and social distancing in St Peter's sacristy every Wednesday from 6:00–7:00pm, beginning Wed 30 September.

NOVENA TO OUR LADY OF PERPETUAL HELP

We are sorry to have to close the Church to all parishioners for the 7pm Novena Mass. There is no way we are able to restrict numbers ensuring social distancing.

Seeing your Life through the Lens of the Gospel. Matthew 21:28-32

1. It is possible to be a dutiful and observant Christian, and yet feel there is something missing. Does it not make a huge difference when your heart is in what you are doing? It is so much better than just going through the motions. Where do you experience that most in your life?
2. The desire of Jesus for us is that we grow in that kind of committed, enthusiastic involvement in life. What encourages you to grow in this way? Recall times when your relationship with God, or with another person, was something that gave you energy, hope or joy. What lessons do you learn from those memories?
3. The elders probably thought well of themselves in contrast to the tax collectors and sinners. Perhaps you know some unconventional people, ones who appear to ignore the 'right' way of doing things, and yet they have taught you something about true goodness.
