Taking time to make memories **Loughshore Care Partnership's Family Choices Project** supports families where a loved one has received a terminal diagnosis and has chosen to remain or return home for end of life care. Family Choices offers practical support connecting to our Willing Hands volunteer network.
Our volunteers give practical support, ranging from household chores like ironing, making meals to mowing the lawn, school runs, homework assistance, or being someone to talk to, and befriending after bereavement.
There are roles for men and women and if you have free time you could become one of our Willing Hands Volunteers, and as such, you will be fully supported. For further information please Email: Loughshorecarepartnership@yahoo.com
