Seeing your Life through the Lens of a Gospel Luke 4:1-13
1. The temptations were a step for Jesus in his growing understanding of his mission and of his relationship with his Father. Can you look back at some painful experiences and acknowledge that you have grown through them, both in your knowledge of yourself, and in your relationships with others and with God? Give thanks for the guidance of the Spirit of God in these times.
2. Sometimes, as with Covid-19 pandemic, we are tested by events outside of our control. What did you learn about yourself during the pandemic? Is there some way in which you grew through the experience?
3. Behind each of the temptations in the gospel story is a basic temptation to lose trust in God. Jesus resisted this because he recognized his complete dependence on his Father. How have you come to recognize your life and the whole world as gifts from God?
4. One can enter into each of the temptations singly. There may be ones that you have experienced:
-The temptation to give priority to bodily needs and satisfactions
-the temptation to power
-the temptation to seek to be the centre of attention
How have you grown through wrestling with these temptations?
