WMOF — Visit of Saints' Relics

We are blessed to have the relics of a family of Saints from Lisieux in Ireland for the World Meeting of Families. The most famous member of the family is the daughter known as the Little Flower, St Thérèse of the Child Jesus. Her parents, Saints Louis and Zélie Martin, were also canonised in 2015, and the relics of all three are travelling together to selected locations in Ireland in preparation for the WMOF. Ss Louis and Zélie are patron saints of the World Meeting.

The relics of the Martin family remind us that we are all called to be saints in our family life, a goal very much within our grasp with God's help. The visit of their relics encourages us to live to our best in our families, living the kind of life God asks of us.

You can pay a visit and venerate the relics as follows:

in **Newry Cathedral** from **11am on Saturday 11th to 9:30am on Sunday 12 August;**

in **Armagh Cathedral** from **11am on Sunday 12th to 9:30am on Monday 13 August.**

Humour Corner

And then the fight started ...

My wife and I were sitting at a table at her high school reunion, and she kept staring at a drunken man swigging his drink as he sat alone at a nearby table. I asked her,

"Do you know him?" "Yes", she sighed, "He's my old boyfriend. I understand he took to drinking right after we split up those many years ago, and I hear he hasn't been sober since."

"My God!" I said, "Who would think a person could go on celebrating that long?"

And then the fight started ...

Ethnic and cultural differences should never be seen as justifying conflict.

Rather, like the various voices in a choir, these differences can exist in harmony, provided there is a real desire to respect one another.
