*You can accomplish by kindness
what you cannot by force*

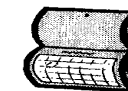

*Smiling is infectious;
you catch it like the flu,
when someone smiled at me today,
I started smiling too.*

*I passed around the corner
and someone saw my grin,
when he smiled I realized
I'd passed it on to him.*

*I thought about that smile
then I realised its worth,
a single smile, just like mine
could travel round the earth.*

*So, if you feel a smile begin,
don't leave it undetected,
let's start an epidemic quick,
and get the world infected!*
