### A Hard Heart

*To adapt a hard-hearted attitude is to  
maim oneself. A hard heart can't feel,  
can't respond, can't love. A hard heart  
can't experience joy. A hard heart is a  
closed heart. A hard heart is a barren  
desert. A soft heart, on the other hand,  
is a blessing. A soft heart can receive  
and can respond. It can be saddened  
but it can also be deliriously happy.  
Softened by the rain of God's grace,  
and warmed by the sun of his love, the  
human heart can be turned from a  
desert into a garden.*
