Humour Corner

Thoughts From An Old Lady

Remember Old Folks are worth a fortune
with Silver in their hair, Gold in their teeth,
Stones in their kidneys, Gas in their stomachs.
I have become a little older since I spoke to you
last, and some changes have come into my life.

I'm quite a frivolous Old Girl, I'm seeing five
gentlemen each day. As soon as I wake up
Will Power helps me out of bed, then I visit Lou,
next it's time for Mr Quaker to give me my oats.
They leave and Arthur Ritis shows up, and stays
for the rest of the day, he doesn't stay in one place
very long, so he takes me from Joint to Joint, after
such a busy day I'm ready for bed with Earl Grey,
what a life, oh yes I'm flirting with All Zymer.

The Minister called the other day and said, at your
age you should be thinking about the HereAfter.
I told him, "*Oh I do, no matter where I am, in the
Lounge or in the Kitchen, Upstairs or in the Yard,
I ask myself – now what am I Here After!*"

*A day without laughter
is a day wasted!*
