Loving God, we come to you with heavy hearts, remembering the six million Jewish souls murdered during the Holocaust.

In the horrors of that history, when so many groups were targeted because of their identity, and in genocides which followed, we recognise destructive prejudices that drive people apart.

Forgive us when we give space to fear, negativity, and hatred of others, simply because they are different from us.

In the light of God, we see everyone as equally precious manifestations of the Divine and can know the courage to face the darkness.

Through our prayers and actions, help us to stand together with those who are suffering, so that light may banish all darkness, love will prevail over hate and good will triumph over evil. Amen.

### UNIVERSAL SYNOD INFORMATION

#### Week 4 - The Synod Prayer

*Adsumus, Sancte Spiritus*

We stand before You, Holy Spirit, as we gather together in Your name.

With You alone to guide us, make Yourself at home in our hearts;

Teach us the way we must go and how we are to pursue it.

We are weak and sinful; do not let us promote disorder.

Do not let ignorance lead us down the wrong path nor partiality influence our actions.

Let us find in You our unity so that we may journey together to eternal life and not stray from the way of truth and what is right.

All this we ask of You, who are at work in every place and time, in the communion of the Father and the Son, forever and ever. Amen.

### 'I DREAMED I HAD AN INTERVIEW WITH GOD

"So, you would like to interview me?" God asked.  
"If you have the time?" I spoke.

"My time is eternity. What questions do you have in mind for me?"  
"What surprises you most about humankind?"

*God answered, "That they get bored with childhood, they rush to grow up and then long to be children again.*

*That they lose their health to make money and then lose their money to restore health.*

*That by thinking anxiously about the future they forget the present, such that they live in neither the present nor the future.*

*That they live as if they will never die, and die as though they had never lived."*

*God's hand took mine and we were silent for a while.*

*Then I asked, "As a parent, what are some of life's lessons you want your children to learn?"*

*"To learn that they cannot make anyone love them. All they can do is let themselves be loved.*

*To learn that it is not good to compare yourself to others.*

*To learn to forgive by practicing forgiveness.*

*To learn that it only takes seconds to open profound wounds in those we love, and it can take many years to heal them.*

*To learn that a rich person is not one who has the most, but is one who needs the least.*

*To learn that there are people who love them dearly, but simply do not yet know how to express or show their feelings.*

*To learn that two people can look at the same thing and see it differently.*

*To learn that it is not enough that they forgive one another but that they must also forgive themselves."*

*"Thank you for your time," I said humbly.*

*"Is there anything else you'd like to your children to know?"*

*God smiled and said, "Just know that I am here for you ALWAYS!"*

### A PRAYER TO FIND A LOVE RELATIONSHIP

Abba Father, before a word is on my lips you know each thought, each tear, each joy you see, for I'm your cherished child. I find it hard to comprehend the extent of your love. And I know I rarely see myself the way that you see me.

Lord you know my heart, you know I long for love. My search is for that special friend. For intimacy, for friendship, for someone to depend on. I know you watch me proudly as I live each day, each moment. Please cause my path to cross with someone you'd like me to be with. Guide my heart to take your hand to hope and trust in you. Help me to be patient until I meet somebody who you know will be a perfect match for me. I know you want the best me your child.
