Humour Corner

Marriage & Coffee

Shortly after tying the knot, a young
married couple started arguing over who
should make the coffee. Being a good
Christian woman, the wife went to the
scriptures for her answer. She said that
the Bible specifically stated that men
should be the ones to make the coffee.

Puzzled, the husband asked her where in
the Bible it said that. Very confidently, the
wife opened up her Bible and said: "It's
right here—HEBREWS."
