### IT'S MISSION MONTH 2018!

The most important day of this month is World Mission Sunday, which takes place on 21st.

This is the one Sunday in the year that Pope Francis asks us to pray a little stronger and dig a little deeper so that faith, hope and love can flourish. Contributions given on Mission Sunday will support the fearless and selfless work of our missionaries who live shoulder-to-shoulder with people in communities that are struggling and often war-torn. Mission Month is a time for us to fully appreciate their dedication before, during and after any crisis.

### POPE ASKS FOR ROSARY IN OCTOBER

Pope Francis last weekend invited "all the faithful of all the world to pray the holy rosary every day during the month of October." Following dreadful events in the Church in recent years, the Pope requested prayer "asking the Holy Mother of God and Saint Michael Archangel to protect the Church from the devil, who always seeks to separate us from God and from each other."

He recommends we conclude the rosary with the following prayers to Our Lady and St Michael:

*We fly to your protection, O holy Mother of God. Do not despise our petitions in our necessities, but deliver us always from all dangers, O Glorious and Blessed Virgin.*

*Saint Michael the Archangel, defend us in battle, be our protection against the wickedness and snares of the devil; may God rebuke him, we humbly pray; and do you, O Prince of the heavenly host, by the power of God, cast into hell Satan and all the evil spirits who prowl through the world seeking the ruin of souls. Amen.*

### Humour Corner

A lawyer, a priest, and a young boy were in a plane that was going to crash, yet they only had 2 parachutes.

The lawyer proclaimed that since he was the smartest man on the plane, that he deserved to survive. He took a chute and jumped.

The priest looked at the young boy, and reflecting back on his life, told the young boy to take the last parachute since he had already lived a wonderful and full life. The boy replied, "You can have the other chute because the smartest man on this plane just jumped out with my school bag!"
