PASTORAL VISITS TO THE SICK
Priests continue to be available to visit the seriously ill and bring the sacraments to them in most areas of the hospitals in spite of the pandemic. Visits are also possible to homes in extreme circumstances. If you or a loved one requires a priest urgently, please contact the parish office, or hospital switchboard (3833 4444). If a priest is not admitted to the ward, he will pray on the phone with the sick person if possible. Chaplains are also routinely available to support hospital staff at the present time on the number above.

PARISH OFFICE
The Parish Office will re-open again to the public on Monday 20th July @10.00am.

NEW ARRANGEMENTS RE: WEEKDAY & SUNDAY MASSES

We are limited to 80 people in St Peter's to ensure that we can safely practise socially distancing of 2 metres.

The Archbishop has extended the dispensation from attending Sunday Mass at this time and attendance at a weekday Mass will fulfil the Sunday obligation. Therefore, please, if possible, think of attending a weekday Mass. This would greatly reduce the expected congregation at the Sunday Masses.

As stated above, St Peter's is only allowed to accommodate 80 people. To facilitate the small numbers allowed, St Peter's Parish is divided into 9 areas (see over). Only the people in areas 7, 8 & 9 will be able to attend Mass on the 18th/19th July at the appointed times.

For the weekend Masses 18th/19th July, people living in area 7, 8, & 9 can contact the Parish Office on Tuesday 14th & Friday 17th July from 10.00am – 12.00 noon, to request one of the eighty places at the appointed Mass for your area. We are unable to accept requests for places at Mass prior to Tuesday morning as the secretary is on holiday. A single request is limited to 2 persons from the one household. This is to enable as many parishioners as possible to be able to attend Mass. The above procedure will be repeated for each successive weekend.

This is far from ideal but we are living in most unusual times and we must obey social distancing regulations and sanitising of the Church. It is most important that people who are vulnerable or unwell, and especially those with any symptoms that might suggest Covid-19 infection, should stay at home and, if possible participate as now, via the webcam or radio. The same applies to those who have been in recent contact with someone who has the virus in accordance with public health advice.

Thanking you for your co-operation.
Canon Liam Stevenson

Seeing your Life through the Lens of the Gospel
Matthew 13:1-23

1. Jesus uses parables to make people think about their own responses to his message. As you read this parable you may recognise that at different times you have been like each of the different types of soil. As you recall times when you presented fertile soil for the word of God, what helped you create that receptive atmosphere? What lessons for life do you get from that?
2. Parents with children, teachers with pupils, speakers with listeners, are all like sowers in a field where the preparation of the soil is up to another – the child, pupil or listener. They can sow the seed but cannot guarantee that it will bear fruit. At times there may be a temptation not to try any more. The challenge is to sow in hope. When have you been surprised by the harvest you have reaped?
