REMEMBERING OUR BELOVED DEAD
I chose to be thankful, not to be sad, for all of the wonderful years that we had. You gave me a smile that no one can steal; you gave me a purpose in life that was real. You gave me a blessing like no other could, when I was confused you understood. You gave me much more than I could repay, God put peace in my heart when He called you away. Though I stand by your grave, I'll not shed a tear, I'll always be thankful because you were here.

ACKNOWLEDGEMENT
I would like to thank each and every one who has sponsored and donated towards my 12th trip to South Africa to help build schools in the townships around Cape Town. The people of Lurgan and surrounding area have always been generous to me and, as always, truly great people. I could not do this work without your support. While you are reading this I will be working on site and helping to change lives forever, which you helped to make happen.
Due to our recent circumstances Dorothy will not be travelling this year. *Malachy Toman*

Taking time to make memories
Loughshore Care Partnership's Family Choices Project supports families where a loved one has received a palliative diagnosis and has chosen to remain or return home for end of life care. Could you support these families as a volunteer befriender? We need both men and women and if you have free time you could become one of our Volunteers, and as such, you will be fully supported.
