The Parish Financial Council members have been concerned for some time about the overcrowding of cars in the car park of St Peter's Church. We are aware that an ambulance and medical personnel would, and have had great difficulty in gaining admittance to the Church in the event of an emergency. We remind parishioners that free parking is available in North Street car park during weekend Mass times. We are asking parishioners for their advice in regularising the problem. Hence, we invite written suggestions to help greatly improve the situation. Please forward written and signed suggestions to the Parish Office by Sunday 2nd June.
