### BEING THANKFUL

**Be thankful** that you don't already have everything you desire. If you did, what would there be to look forward to?

**Be thankful** when you don't know something, for it gives you the opportunity to learn.

**Be thankful** for the difficult times - during those times you grow.  
**Be thankful** for your limitations because they give you opportunities for improvement.

**Be thankful** for your mistakes - they will teach you valuable lessons.  
**Be thankful** when you are tired and weary because it means you worked hard to make a difference.

It is easy to be thankful for the good things. A life of rich fulfilment comes to those who are also thankful for setbacks.

Find a way to be thankful for your troubles and they can indeed become your blessings.

**A Simple Thanksgiving Prayer** For each new morning with its light, for rest and shelter of the night, for health and food, for love and friends, for everything their goodness sends.  
Thank you God.
