CONSIDER A LIFEGIVING DONATION

The case of a young mother with leukaemia has come to people's attention in the local media recently, highlighting the need for more stem cell donors, without whom there is no cure for some blood cancers. Please consider being a stem cell donor, especially if you are between the ages of 16–30. Blood and organ donation for those who are sick is a powerful expression of human solidarity and Christian charity.

POPE ON MEDUGORJE PILGRIMAGES

Pope Francis has decided to authorise pilgrimages to Medugorje, which can now be officially organised by dioceses and parishes and will no longer take place only in a private capacity which has so far been the case.

A Vatican spokesman specified that the papal authorisation must be accompanied by "care to prevent these pilgrimages from being interpreted as an authentication of known events, which still require examination by the Church." He went on, "Considering the considerable flow of people who go to Medugorje and the abundant fruits of grace that have sprung from it, this authorisation is part of the particular pastoral attention that the Holy Father intended to give to [the people who go on pilgrimage], aimed at encouraging and promoting the fruits of good."

Urgent Lobby for Life Pro-life Petition

Members of Precious Life will be collecting petitions for their crucial Lobby for Life Campaign at all Masses this weekend, the 29th and 30th June. This petition is calling for the Westminster Government to respect the democratic process and will also give the people of Northern Ireland the opportunity to express their views that unborn children and their mothers should be protected from abortion.

Saint Oliver Plunkett

(Monday, 1st July)

*The name of today's saint is especially
familiar to the Irish and the English—and
with good reason.*

The English martyred Oliver Plunkett for defending the faith in his native Ireland during a period of severe persecution. Born in County Meath in 1629, Oliver studied for the priesthood in Rome and was ordained there in 1654. After some years of teaching and service to the poor of Rome he was appointed Archbishop of Armagh in Ireland. Four years later, in 1673, a new wave of anti-Catholic persecution began, forcing Archbishop Plunkett to do his pastoral work in secrecy and disguise and to live in hiding.

Meanwhile, many of his priests were sent into exile, schools were closed, Church services had to be held in secret, and convents and seminaries were suppressed. As archbishop, Plunkett was viewed as ultimately responsible for any rebellion or political activity among his parishioners. Archbishop Plunkett was arrested and imprisoned in Dublin Castle in 1679, but his trial was moved to London. After deliberating for 15 minutes, a jury found him guilty of fomenting revolt. He was hanged, drawn, and quartered in July 1681.

*Pope Paul VI canonized
Oliver Plunkett in 1975.*

Young Person's Prayer After Examinations

Lord God, as I reflect on my examination results and plan for the future, guide me to make good choices.
Make me a better person:
more considerate toward others,
more honest with myself,
more faithful to you.

Help me to find my true vocation in life and grant that through it I may find happiness in myself and bring happiness to others.
Grant, Lord, that those whom you call to enter priesthood or religious life may have the generosity to answer your call, so that those who need your help may always find it.

*We ask this through
Christ our Lord. Amen.*
